

FOR IMMEDIATE RELEASE

### **MENA Co-Sponsor's ITS Show In Canada**

VANCOUVER, Canada (May 21, 2010) - Mitsubishi Engine North America, Inc. (MENA) and Frontier Power Products, a distributor in British Columbia, Canada, exhibited jointly at The 21<sup>ST</sup> International Tug & Salvage Convention & Exhibition. The exhibition was held on 17<sup>th</sup> – 21<sup>st</sup> May 2010 in Vancouver. This exhibition returned to Vancouver after an interval of 37 years with more than 120 companies and groups exhibited.

MENA exhibited a S6A3-Y2MPTK marine propulsion engine-Heavy Duty rating (483hp/1840rpm)

Many visitors were welcomed and sales expansion is expected in British Columbia centering in Vancouver.

This exhibition will be held on 7<sup>th</sup> – 11<sup>th</sup> May 2012 in Barcelona Spain next time. For additional information on the International Tug & Salvage show, please visit [www.tugandsalvage.com](http://www.tugandsalvage.com)
