

FORE IMMEDIATE RELEASE

MENA Co-Sponsor's a potential customer event in Mexico City

MEXICO CITY, Mexico (November 9, 2010) – Mitsubishi Engine North America, Inc. (MENA) and Ottomotores, a distributor in Mexico jointly held a meeting to introduce MHI Large engines to potential customers in the area. The meeting was held at the prestigious Presidente International hotel in Mexico City, Mexico with over 50 architects, engineers, consulting companies in attendance.

MENA showcased an S12A2 large engine on-site at the meeting for display.

In attendance from MENA was Mr. Toru Shibasaki, President; Mr. Ted Han, General Manager of Engine Sales & Mr. Samson Ayele, Manager of MENA Service Department.
